

Academic Publications

2009

- Pin, R.R., Gutteling, J.M. & M. Kuttschreuter (2009). [“Determinants of reactions to gene technology: a generic approach.”](#) *New Genetics & Society*, 28 (1), 51-65.
- Pin, R.R. & J.M. Gutteling (2009). [“The Development of Public Perception Research in the Genomics Field. An Empirical Analysis of the Literature in the Field.”](#) *Science Communication*, 31(1): 57-83. (CSG word niet genoemd)
- Pin, R.R. (2009). [“Perceptions of nutrigenomics : affect, cognition & behavioral intention.”](#) University of Twente, 29 mei 2009. Prom/coprom: prof. Dr. E.R. Seydel, prof. Dr. L. Frewer; Dr. .J.M. Gutteling.

2006

- Gutteling JM, Hanssen L, Van der Veer N, Seydel E. [“Trust in Governance and the Acceptance of genetically modified food in the Netherlands.”](#) *Public understanding of Science*, 2006, 15 (1): 103-112.
- Bauer MW, Gutteling JM. “Issue salience and media framing over 30 years.” In: G. Gaskell & M.W. Bauer (Eds), *Genomics and Society. Legal, ethical and social dimensions*. London: Earthscan, 2006 pp. 113-130.
- Kohring M, Meijnders A, Midden C, Öhman S, Olofsson A, Matthes J, Rusanen M, Gutteling JM Twardowski T. “Whom to trust with Genes on the menu?” In: G Gaskell & MW Bauer (Eds), *Genomics and Society. Legal, ethical and social dimensions*. London: Earthscan, 2006 pp. 60-74.

2005

- Gutteling JM. [“Mazur's Hypothesis on Technology controversy and Media.”](#) *International Journal of Public Opinion Research*, 17 (1), 23-41. (GeN)
- Gutteling JM. “Risicocommunicatie door de overheid: zin en onzin.” In: Jan Gutteling, Bart Sangster & Charles Vlek (Eds.) *Symposium risicocommunicatie*. Den Haag: VWA, pp. 4-9. (MiS)

Academic Lectures

2007

- Pin, R. "Public perceptions of nutrigenomics: a cross cultural study comparing Australia and The Netherlands", Australian Centre for Emerging Technologies and Society (ACETS) Seminars, Melbourne, 12 oktober 2007.
- Pin, R. "Building bridges. Issues for Future Risk Research", SRA Europe International Conference. (with Gutteling J. Den Hollander), Den Haag, 17-19 Juni 2007

2006

- Gutteling, J.M., Kuttschreuter, M. & Pin, R.R. "The attitude to medical and food related gene-technology in The Netherlands", SRA conference Baltimore, December 2006.
- Pin, R. "Trust as a determinant of the attitude to medical and food related gene-technology"(with Kuttschreuter M, Gutteling JM). Presentation paper SRA E conference, Ljubljana, 12 September 2006.
- Pin, R. The development of Public Perception Research in the Genomics field. An empirical analysis of the literature in the field (with Gutteling JM). Presentation paper SRA E conference, Ljubljana, 11 September 2006.
- Pin, R. "Developments in Dutch public reactions to genomics" (with Gutteling JM, Kuttschreuter M). Presentation paper CSG/Cesagen conference, Amsterdam, 20 April 2006.

Societal Publications

2005

- Pin, R, Gutteling JM ["Publieksonderzoek genomics"](#), December 2005

Societal Lectures

2005

- Gutteling JM: "The future genomics society" Module experts versus non-experts, Wageningen 15.2.2005. Onderzoeksschool VLAG.
- Gutteling JM: "Maatschappelijke acceptatie van genproducten, waaronder fruit." Wageningen, 11 augustus 2005.
- Gutteling JM: "Eurobarometer gen-technologie" WTMC mei workshop. Nijmegen, 27 mei 2005.
